SIR,

RE: Grant of sites free of cost for the purpose
of growing figs at Ganjam

In forwarding herewith the entire file of correspondence ending with No D3-5728/37-38 dated 20th August 1938 from the President, Municipal Council, Serinapatam, on the above subject, I have the honour to state - that it has been proposed to lay out fig gardens in Ganja, a suburb of Serinapatam Town, as an experimental measure, to encourage fig cultivation in the place.

2 It is reported that the land proposed to be given belongs to the Municipality and the same has been divided into small plots varying in dimensions and value. These sites have been proposed by the Municipality to be granted free of cost to persons who are willing to take up fig cultivation.

3 As the work of laying out the gardens is to be taken up on hand immediately, I request that sanction of Government may be kindly obtained for the free grant of sites, subject to the condition that necessary technical assistance be obtained from the Grants after sanction is received.

I have the honour to be,
Sir,
Very respectfully,
